Dear Consumer:

Thank you for your interest in serving on the Arizona Health-e Connection Consumer Advisory Council. As we continue to explore ways in which we can implement successful exchange of electronic health information in Arizona, we realize that consumer input and support is an important for any strategy we pursue. As a result, we are looking forward to active participation from consumers.

We are establishing a Consumer Advisory Council that is representative of the greater Arizona population. Part of this effort involves creating a pool of interested individuals who might serve on the Council or be involved in Arizona Health-e Connection activities in other ways. If you are interested in being considered for the Council or other opportunities, please fill out the attached background information form. You may submit it via email to melissa.rutala@azhec.org or mail it to the address at the top of this letter. If you have any questions, please do not hesitate to contact us at the phone number listed below.

We look forward to your interest and future participation in our consumer activities.

Sincerely,

Brad Tritle
Executive Director
Arizona Health-e Connection
